STUDENT GOVERNMENT ASSOCIATION

JEANETTE FISHER

President

Student Government at Mary Baldwin has long been one of the most important aspects in the college community. Our association has been active and dynamic primarily because of two factors. These are the character of the college administration, which has maintained a full awareness of the value and importance of the Student Government Association, and the students themselves who have been vitally interested in realizing the goals a student government should set up for itself.

Our main objectives have been the integration of all the campus activities and the evaluation of the overall campus program, as it helps to enrich the student's spiritual, social, and intellectual development.

The governmental structure consists of three branches: the Student Board, which is the central co-ordinating and legislative body; the Judiciary Board, the student court, which constantly endeavors to instill the ideals of the Honor System in the students; the House Presidents' Council which concerns itself mainly with the students' problems of personal adjustment as individuals and groups.

The Student Government officers serving on these three branches represent the student body in many capacities. They realize that the biggest challenge to student government is that its job is a never-ending one. Its projects and goals must be constantly broadened to meet the needs of the new student generations.

STUDENT GOVERNMENT

BOARD OF REVIEW

Left to Right: Bruce Suttle, Sue Boss, *Chairman;* Miss Parker, Nancy Switzer, Miss Strauss, Virginia Dillon, Fran Wills.
Not pictured: Miss Ruedseal, Miss Humphreys.

The Board of Review is a Student Government organization composed of a chairman and four student members appointed by the Student Board. Three faculty members and the Dean of Students, as ex officio, are also members. The duties of this board are: to check on the proper functioning of campus clubs, to approve of new organizations, to approve all money-making projects on the campus, and to schedule Friday assembly programs.

PUBLICATIONS BOARD

Left to Right: Jeanne Kline, Margie Mowl, Elaine Baldwin, Tobie Cadle, Miss Strauss, Mary Margaret Beale, *Chairman;* Cynthia Hutcheson, Barbara Bullock, Judy Deener, Nan Chandler.
Not pictured: Mr. Williams, Miss Mims, Lois Morrison Collins.

The Publications Board was established in the fall of 1953. It is composed of the editors and business managers of the current and previous years of the BLUESTOCKING, *Campus Comments,* and *Miscellany,* as well as the faculty advisors to these three publications. The purpose is to increase the efficiency of the staffs and increase the uniformity of the publications.

COMMITTEES

EXECUTIVE COMMITTEE

Left to Right: Nancy Buston, Jeanette Fisher, Ellen Gibson Shaw, Sue Berry.

The Executive Committee is composed of the six members of the Advisory Board and four student members. The students are the president of the Student Government Association, the chairman of the Judiciary Board, the chairman of the House Presidents' Council, and the vice-president of the Student Government Association.

ORIENTATION COMMITTEE

Standing: Nancy Buston, *Chairman;* Claire Trotti Stephens, Mary Jones, Ann Ritchie, Martha Kolbe, Rachel Keser, Sue Dozier Morris, Minifred Boyles, Betty Balentine, Nancy Switzer.
Seated: Margie Mowl, Julia Prater, Ian Gregory, Doris Peter, Meredith West, Nancy Pillow.

The Orientation Committee is composed of many girls of the upper classes for the purpose of helping the new girls to get settled in college life. This committee introduces the Freshmen into dorm life and the town, and plans parties, hikes, and trips to ward off any signs of homesickness. These girls welcomed the Class of '59 to the spirit and honor of Mary Baldwin.

STUDENT GOVERNMENT

NATIONAL STUDENT ASSOCIATION

Left to Right: Sara Burwell, Charlotte Cooper, *Co-ordinator;* Blanche Gambrill, Cynthia Hutcheson.
Not Pictured: Perry Wornam, Caroline Huffstutler.

Organized on our campus in 1954, NSA has tried to create a better international student understanding. Some of its projects have been celebrating UN, Brotherhood and Academic Freedom Weeks, a travel program, debate on the eighteen year old vote, and a current events bulletin board. Two delegates attended the summer conference in Minnesota; fifteen, the "regional" in Lynchburg.

SOCIAL COMMITTEE

Back, Left to Right: Sheffield Lander, Ann McFadden, Virginia Dillon, Meredith West, Kay Weeks, Barbara Kohlsaat, Bruce Suttle.
Seated, Left to Right: Ada Lou Worth, Sue Priestman, Margie Mowl, Patty Parke, *chairman;* Betty Balentine, Nancy Switzer.

With a chairman elected by the student body and each class having representatives, the Social Committee is responsible for most all the social activities held on the campus. At Christmas and in the Spring big dances are held, besides parties and receptions interspersed throughout the year.

COMMITTEES

CLUB COMMITTEE

Left to Right: Frances Spady, Millicent Blakeney, Martha Caplinger, Barbara Bullock, *Chairman;* Judy Gallup, Sydney Stone, Connie Davis.

The Club Committee has the heavy responsibilities of seeing to it that the most popular place on campus is cared for properly. Not only is the Club a place for "breaks," bridge, mail call, and bull sessions, but it is also the gathering place for the faculty and students, and for dates. Teas and receptions are held here on the second floor, and the third floor constitutes space for offices and work rooms.

CABIN COMMITTEE

Left to Right: Patty Gwynn, Peggy Hankins, *Chairman;* Ann Maxwell, Doris Peter

Under the chairmanship of Peggy Hankins, the Cabin Committee's purpose this year was mostly in the line of advertising the good time a group can have for a day, a night, or an entire weekend at the college cabin. Located just a few miles out of town, the cabin provides a wonderful place to "get away from it all."

NOOK COMMITTEE

Left to Right: Martha Kolbe, *Chairman;* Kathy Smith, Betsy Edwards, Ann Herbert, Frances Story.

The Nook, which is located in the gym, is to provide a kitchen where the students may prepare their own snacks and meals. It is open to all Mary Baldwin girls at all times. The Committee sees to it that the Nook is kept in good order.

DAY STUDENT ORGANIZATION OFFICERS

Left to Right: Stuart Dalton, Nancy Payne, *President;* Bettye Anne Hurt, Elizabeth Robson, Peggy Jorstead.

The Day Student Organization is composed of all girls who are registered as day students. Group and individual participation in all campus activities and many community projects are encouraged. Parties, picnics for the Freshmen, and welfare work have been their main interests.

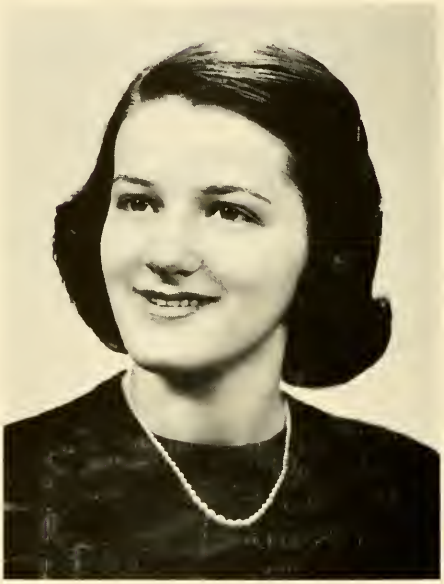
YOUNG WOMEN'S CHRISTIAN ASSOCIATION



LAURA CLAUSEN

President

The Student Christian Association on our campus, the National Student Y.W.C.A. and the World Student Christian Federation, all of which we are an important part, provide for concerned students a channel for the three-fold program of worship, study and action. All activities of our organization are proposed to meet as nearly as possible, the needs which we feel in our lives for worship, for study from the Christian prospective, and for action which is motivated by a concern for all people. Because our needs and circumstances are constantly changing, the program of the "Y" is constantly altered. But the main true and unique purpose remains always the same. Hence, we feel a real part of the past tradition of the Christian world and of its present situation; likewise, a responsible bearer of its future continuance and strength.

Each person on our campus is in a community of people who find meaning in the Christian fellowship, as an integral part of all phases of life. Whether one finds her fullest and most creative life in class, in Vespers, in Dorm devotions, in discussion groups, in community service, in general campus life, or in a well-rounded balance of all, she is recognized in the Christian community as an individual of significant worth in the eyes of God and of man.

GLEE CLUB

Containing some 100 voices, the Glee Club, directed by Mr. Gordon Page, has performed on many occasions this year. The group made its annual trip to the National Cathedral in Washington in January, sang a work written and directed by Dr. Ruth McNeil for the Christmas Vesper Service, and gave a joint concert with the Princeton Glee Club. The members are selected from the student body by try-outs held at the beginning of the school year.

CHAPEL CHOIR

An outstanding group of voices, chosen and directed by Mr. Gordon Page, affords anthems for our chapel services, and gives concerts at other schools, colleges, and churches in a broad area around Virginia and vicinity.

MARY BALDWIN HONOR SOCIETY

The college honor society, organized by the faculty in 1932, recognizes and encourages sound scholarship. A limited number of seniors are elected each May to membership in the society. The annual meeting is held during the commencement season when newly elected members are initiated. Alumnae members are invited to be present for this special meeting.

The graduates of the University Course of the Augusta Female Seminary and Mary Baldwin Seminary were elected to the Honor Society in May, 1942, in connection with the Centennial celebration of the school.

Members of the Class of 1955 elected to the Honor Society:

MARY HORNBARGER MUSTOE

MARGARET NEEL QUERY
Greenwood, South Carolina

ELIZABETH ROBINSON

ALGERNON SYDNEY SULLIVAN AWARD

The New York Southern Society and Mary Baldwin College have jointly arranged for the presentation of two medallions at Commencement each year to those who, because of the quality of their lives, are judged to be appropriate recipients of the award. While the award recognizes accomplishment, unselfish service is the fundamental principle, as this was the keynote of the life of Algernon Sydney Sullivan, whose name the award bears.

Usually one medallion is presented to a member of the graduating class and one to some other person who has interest in and association with the College:

The 1955 Awards were:

"To an already full life as a wife and mother she has added distinction as an outstanding artist, an eminent writer, and a civic leader. In the neighboring state of North Carolina she pioneered in equal rights for women in social welfare legislation. Her whole life has been one of service to humanity, and in her living she has enriched the lives of others. Because of her unselfish service and because she exemplifies the highest ideals of Christian living, the Faculty awards the Algernon Sydney Sullivan Medallion to Hope Summerell Chamberlain of the Class of 1882."

"Outstanding scholar and leader in campus activities, she has yet found the time to counsel and guide others, giving of herself in true Christian spirit. Quietly she has set an example of service to the community. In recognition of that service and in acknowledgment of her strength and wholesome influence in her campus life, and in anticipation of even greater future service, the Algernon Sydney Sullivan Medallion is awarded to Mary Hornbarger Mustoe."

Dr. Turner, Laura Clausen, Dr. Taylor

RUSSELL SCHOLAR

The Margarett Kable Russell Scholar is the recipient of an award established jointly in 1953 by the Board of Trustees and the Alumnae Association in honor of the late Mrs. Russell, a trustee and an alumna of the college. It is awarded to an upperclassman on the basis of academic attainment, high character and quality of life, and service on the campus. It carries a monetary award and certain academic privileges.

The choice of a student for this honor is made by election of the faculty. Nominations are prepared by a committee of faculty members and representatives of the Alumnae Association, and two student members. A student's qualifications for this honor will ordinarily be considered at the end of her junior year. No student will be eligible for reappointment.

The recipient of this award is required to write a paper in her major field. Dr. Taylor and Dr. Turner are Laura's advisors in this project.

ETA BETA PI

Serving in the dining-room under the direction of Margie Clark, are the Eta Betas — whose strong backs, pleasant personalities and exceeding capabilities make our meals so enjoyable.

BLUESTOCKING

To culminate a school year — one full of class work, social functions, club meetings, and organization activities — we, the Junior Class, have tried to bring these things into the 1956 BLUESTOCKING.

The staff of the BLUESTOCKING and the Junior Class present this yearbook to the students and faculty of Mary Baldwin in the hope that it will be a storehouse of memories to look back on in the future.

On the staff, besides the Junior Class representatives, are a Freshmen and Sophomore, chosen from their respective classes. Our deepest appreciation is extended to Miss Fannie Strauss, our advisor and sponsor, for helping to make the BLUESTOCKING possible.

The BLUESTOCKING holds membership in the Virginia Intercollegiate Press Association and the Associated Collegiate Press.

CAMPUS COMMENTS

The staff of *Campus Comments* has given special emphasis this year to better and more up-to-date coverage of campus news, in order to give voice to student interest in current topics. We have aimed toward improvement in academic and extracurricular policies. We have directed our criticism toward concrete situations, attempting to present feasible solutions to specific problems, and have tried to avoid mere theoretical and general criticism.

We have made a concerted effort to improve the newspaper, and have succeeded in reinstating the journalism course in the curriculum by stimulating interest and emphasizing the need for technical journalistic training. We feel that *Campus Comments* is on its way to the fulfillment of its purpose.

The Administration has evidenced a definite interest in the life of the free college press, and we are grateful for this encouragement and sympathetic attitude.

Campus Comments is a member of Intercollegiate Press, Associated Collegiate Press, and Virginia Intercollegiate Press Association.

MISCELLANY

The "Miscellany" provides for the students a means of individual expression through creative writing. Since its first publication in 1899, the magazine has fulfilled this function. The members of the staff use their own literary interests in producing a magazine which is representative of the literary taste and artistic interest of the college.

The "Miscellany" is a member of the Virginia Intercollegiate Press Association and the Associated Collegiate Press.

JAMES WILLIAM CRONE

For fifty years the college was most fortunate to have Mr. Crone on the campus in order for everything to operate smoothly.

He came here at the age of 18 and was on campus constantly thereafter. He worked his way up from tying the principal's shoes and waxing the floors to his final position of superintendent of buildings and grounds and general mechanic.

Born September 11, 1887 in Augusta County, about ten miles outside of Staunton at the community of Spring Hill, he has made his home there all his life. He was married forty-four years ago to Ann Bliss, also a native Augastan. They are the parents of nine children, five girls and four boys.

Mr. Crone's private life has been spent in rearing his family, fishing in his leisure time, and raising chickens. As a youth he carved something of a name for himself as a baseball pitcher for seven or eight years with the Middle River Ball Club.

He has seen many phases of academic and social life changed since he first arrived fifty years ago when the school was known as Mary Baldwin Seminary. He likes to recall all of these evolutionary changes.

Mr. Crone said, at the end of his half-century mark on the Mary Baldwin campus, "I want to retire after fifty nice years on the campus." He plans to return to fishing, do some gardening, and catch up on some odd jobs around the house.

Athletics

RECREATION ASSOCIATION

PAT BOWIE
President

The purpose of the Mary Baldwin Recreation Association reads from the constitution as follows:—

"The purpose of this Association shall be to develop interest and participation in a diversified program of recreational activities, to promote a spirit of good sportsmanship, and to cultivate a spirit of co-operation and fellowship, within the campus life."

If a girl makes use of the diversified athletic program offered, she will find this purpose to be fulfilled for her. Almost all major and minor sports are offered, and those who have never played are taught in order that they may improve the calibre of their playing, and that they may also find enjoyment in sports.

Sportsmanship seems to be synonymous with athletics. Co-operation and consideration for others are essential in both team and individual sports and nothing is more frowned upon in games than an exhibition of poor sportsmanship, a poor loser or winner or an unnecessarily rough player.

In order that the Recreation Association may be comprised only of active or interested members, it is required that each girl participate in ten hours each semester of athletic activity and uphold the purpose of the Association at all times. Five of the ten hours may be earned by attending athletic events in the capacity of a spectator. The Association believes that participation, whether active or as a spectator, is more important than the winning of a game.

LYNCHBURG, VIRGINIA

Sometimes it is the nature of a craft to create an unbreakable tie between itself and the worker in that field, a heart attachment equal to lifetime devotion. One familiar example is PRINTING. Once editor, once compositor, or pressman catches the spirit of the shop, the spell is seldom broken. Like the odor of a camp fire, or a whiff of salt air, the beloved tang of printer's ink, symbolical of a great profession, gets into your heart and soul. School Annuals, Magazines, Newspapers and Special Printing, all smack of it. It is an invisible link that binds all intelligence together. It is the stimulus for creation in business or romance. This craftsmanship, this devotion to service and alertness to business needs, has nourished and developed an enormous industrial vitality, and whichever way the course of the future runs, the printer will always find himself able to adapt his helpfulness to new opportunity.

Years of experience have taught us! Printing Pays Us Only When It Pays You!
